

PRODUCT SHEET

CASH CONTRACT - 2016/17

Lock in a fixed price for this year's harvest

ABOUT

A cash contract offers a fixed price for an agreed volume of grain delivered to a specific location at a future date. The contract allows you to lock in a fixed price, which protects you against falls in the market.

GRADES

Multigrades and fixed grades are available for most commodities. Any grade applicable to a commodity can be delivered or transferred as long as the contract confirmation specifies that grade. For multigrade contracts, fixed and floating spreads are available depending on the commodity and variety – speak to your local merchant for further information.

QUALITY

Canola: Uncapped oil bonifications on a 1.5% premium for every 1% or part thereof above and below 42%. Premiums and discounts applied as per Australian Oilseeds Federation standards.

No quality adjustments apply for other commodities.

DELIVERY

Deliveries are accepted at most major Bulk Handling Companies across a time period agreed by your local merchant at the time of contracting.
