WHAT IS FAST PAY?

Fast Pay is just like it sounds – it's a fast payment! We will process and make your payment within two business days* from the date of grain transfer.

HOW DOES FAST PAY WORK?

It's simple. When you deliver grain to a participating Emerald Grain receival site, and you sell that grain to Emerald, you'll get paid within two business days* from the date of transfer.

WHO IS ELIGIBLE FOR FAST PAY?

Any grower who delivers grain to a participating Emerald Grain receival site and sells their grain to Emerald Grain will automatically qualify for Fast Pay. To be eligible, a grower must:

- Have written a contract with Emerald Grain for delivery into a participating Emerald Grain site and fulfil those contract; or
- Sell to an Emerald Grain spot cash price within a participating Emerald Grain site during harvest; or
- Transfer their grain from the 'Warehouse' option at a participating Emerald Grain site to an Emerald Grain cash price.

FAST PAY IS AUTOMATIC!

There is no need to sign up to Fast Pay. As long as you meet one of the three eligibility criteria listed on this sheet, you are automatically eligible for Fast Pay and it will be your default payment term whenever you deliver and sell to Emerald Grain. Emerald Grain will automatically make payment to your nominated account within two business days* of each grain transfer.

FAST PAY IS FREE

Shorter payment terms come at no cost to you – we understand it's important you're paid quickly, and we've put the financing and team in place to back it.
